“The Vessel”

LIGHTHOUSE

YACHT & BOAT SURVEYS

TERMS OF THE AGREEMENT

1. The Client hereby instructs the Surveyor to attend the vessel specified above (the "Vessel") and to undertake the survey(s) identified below (X as applicable) as defined in the Terms of Business:

- Pre-purchase (Condition); Insurance; Damage; Re-fit; Valuation; MCA Code of Practice; Tonnage Measurement; Sea Trial; Supervision; Consultancy;
- Expert Witness; Limited Scope: [please specify]:

Other: [please specify:]

("the Scope of Work")

2. The Surveyor hereby agrees to undertake the Scope of Work as instructed by the Client above for the agreed fee of £ + VAT (if applicable) plus travel expenses of £ which the Client agrees to pay upon receipt of the Surveyor's invoice.

3. The Client and the Surveyor hereby agree that **Lighthouse's Standard Survey Terms of Business April 2015** (attached hereto) are hereby expressly incorporated into and form an integral part of this Agreement between the Parties.

4. The Client hereby expressly confirms by signing this Agreement that he has read and understood the **Lighthouse's Standard Survey Terms of Business April 2015**.

5. The Client agrees that he is responsible for any and all charges that may be incurred in the moving, slipping, lifting and/or launching of the Vessel and any reinstatement work following the survey (for example but not limited to: covering patches taken for meter readings).

6. The Client further agrees to inform the Surveyor as soon as possible after the Client has signed this Agreement of the moving/slipping/lifting/launching arrangements he has made in order to assist with planning the survey.

7. The Client agrees to advise the Surveyor as far as possible of any change of location of the vessel or cancellation of the survey prior to the Surveyor starting the journey to the Vessel.
